## NRA FIREARMS INSTRUCTOR DEVELOPMENT/CERTIFICATION COURSE ANNOUNCEMENT FOR APRIL/MAY 2018

**!These will be my only NRA Instructor Courses scheduled for 2018!**

February 01, 2018

Dear Prospective NRA Firearms Instructor:

Enclosed you will find an Information Package with dates and prices for the next scheduled NRA Firearms Instructor Development Courses. Please look over the Announcement carefully as the NRA does require some pre-requisite information & skills, which you must provide to the Training Counselor prior to Enrolling in, or taking, any of these courses. Pre-Qualification information will be emailed only to those students who wish to take these courses.

The three Pistol related Instructor Courses will be offered on Apr. 27th, 28th, & 29th (Friday, Saturday, & Sunday), with the Rifle & Shotgun Instructor Courses and Range Safety Officer Course on May 4th, 5th, & 6th (Friday, Saturday, & Sunday). The Chief Range Safety officer Course will be held on May 20th (Sunday).

Please look at the enclosed Information Package & Enrollment Form and if you are interested in taking any of the scheduled courses, email or call to reserve a seat until you can complete and return the Enrollment Form. **Please return only the Enrollment Form and not the rest of the Information Package.** Detailed instructions are enclosed in the package as well as other supplemental information.

On the Enrollment Form you will find substantial \$discounts\$ for enrolling in multiple courses (3 or more), and you can secure your seat with a 50% deposit VIA cash, check, money order, Master Charge, Visa, American Express, or Discover, with the balance not due until, or before, April 15, 2018. *Late Enrollment Fee of \$100 applies after the 15th.*

***Plan now to enroll in the NRA Firearms Instructor Course(s) you have been wanting to take.***

These NRA Instructor Courses usually fill up quickly (*within 2-3 weeks*) after the announcement, so if you are interested in completing any of the courses, please contact me as soon as possible to make sure you reserve your seat. I hope to see you in class in the April/May Courses (the only NRA Courses I have scheduled in 2018).

Cordially,

*Terry L. Haddock*

President & Chief Training Officer, Personal Protection, Inc.  
NRA Training Counselor  
NRA Benefactor Life Member  
NRA Chief Range Safety Officer  
NRA Law Enforcement Firearms Instructor

## **IMPORTANT NOTICE ~ PLEASE READ**

Do not enroll in these courses if you are a beginner, or you are not relatively proficient with the firearms that you would like to be able to teach other individuals or groups to use safely. These are not beginner's courses, they are Instructor Certification Courses.

The NRA does require a certain level of proficiency to take these courses. The NRA Pre-Qualification paperwork will be emailed to interested students.

The courses you will be able to teach, after becoming NRA Certified, are not "Concealed Weapons" courses, however the NRA Courses do meet the State of Florida requirements for your Students to show "proficiency" to apply for the Florida Concealed Weapon or Firearm License.

If you provide NRA Certified Courses and materials to your students, you will be able to issue "Official" NRA Certificates to your Students who complete those courses. Your Students can then use those NRA Certificates to apply for the Florida Concealed Weapon or Firearm License.

Only "Official" Enrollment Forms that are accompanied with 50% deposits or full payments will be accepted to reserve seats in these courses.

A phone call or email to Mr. Haddock will reserve a seat for only 3 days until the Enrollment Form and payment can be delivered to him

VIA email, snail mail, or by hand.

Unfortunately, due to several past experiences, there can be no exceptions for securing a seat.

*~ Thank you for your cooperation ~*

## CERTIFIED FIREARMS INSTRUCTOR COURSES

**NOTICE: THESE COURSES FILL QUICKLY. THERE WILL BE SEATS FOR THE FIRST 20 STUDENTS ONLY!**

Thank you for your interest in the NRA Instructor Certification Courses that are now forming. The NRA needs men and women like you, now, more than ever, to train others in the safe and responsible use of firearms. I am a Commissioned NRA Training Counselor, and have been an active Instructor in Law Enforcement (*Rangemaster, Hollywood P.D.*), Security, and Private Training for many years. I am pleased to announce the following courses for you to become NRA Certified Basic Firearms Instructors, Range Safety Officers, or Chief Range Safety Officers.

### **THE NRA FIREARMS INSTRUCTOR CERTIFICATION COURSES:**

APR. 27, 2018	<b>BASIC INSTRUCTOR TRAINING (BIT) &amp; HOME FIREARMS SAFETY INSTRUCTOR COURSE (1)</b>
APR. 28, 2018	<b>BASIC PISTOL INSTRUCTOR COURSE (2)</b>
APR. 29, 2018	<b>PERSONAL PROTECTION IN THE HOME INSTRUCTOR COURSE (3)</b>
MAY 04, 2018	<b>BASIC RIFLE INSTRUCTOR (4)</b>
MAY 05, 2018	<b>BASIC SHOTGUN INSTRUCTOR (5)</b>
MAY 06, 2018	<b>RANGE SAFETY OFFICER COURSE (RSO) (6)</b>
MAY 20, 2018	<b>CHIEF RANGE SAFETY OFFICER COURSE (CRSO) (7)</b>

Attendance of all Instructor Courses (1-5) is suggested, but not required. Attendance of the first six hours of Basic Instructor Training on the day of the Home Firearms Safety Instructor Course is mandatory for anyone who wants only one or two of the other Instructor Courses (This does not apply to the RSO Course). One or more instructor ratings are required to take the RSO course (6), but you can take the Instructor course(s) and the RSO course, then apply to the NRA for both at the same time. The RSO Course is a prerequisite for the CRSO.

THESE COURSES MEET THE STATE REQUIREMENTS TO TEACH THE CONCEALED WEAPON COURSE IN THE STATE OF FLORIDA. ALL COURSE BOOKS, OUTLINES, LESSON PLANS, & HANDOUTS ARE INCLUDED IN THE COURSE FEE. (The RSO Course is an NRA Certified course, but not an Instructor level course. It is designed for anyone who works at, or wants to work at, a public, private, or police shooting range, and can help to lower the range's insurance costs). RSO is also helpful in limiting individual Liability for Instructors.

### **THE FEES:**

The course fee for the five Instructor ratings is \$650.00, or all six ratings including RSO for \$750.00, if paid in full by APR. 15, 2018. (The fee after APR. 15, 2018 is \$750.00 for the first five or \$850.00 for all six). You can take any 3 Instructor courses for a fee of \$550.00, or \$650.00 with RSO. Add \$100.00 if after 04/15/18. The fee for a single course is \$250.00 plus \$100.00 for BIT (\$350.00 Total). Reservations are required with a minimum 50% deposit to save your seat for these courses. Deposits or full payments can be made by cash, check, money order, Master Card, Visa, American Express, or Discover. Credit cards will be charged the same day the Enrollment form is received (no exceptions). Please call first to make credit card arrangements.

Make checks or money orders payable to:

**Personal Protection, Inc., Post Office Box 222132, Hollywood, FL 33022**

### **PLEASE READ OUR REFUND POLICY CAREFULLY:**

If you are unable to attend on the day of the course(s), for any reason, you will be given a credit slip, which will allow you to take the course(s) at the next scheduled class only. Because of the expenses involved in preparing for these courses, including the Pre-Qualifications, there will be no refunds for student cancellations. A fee or deposit will be refunded only if the Instructor cancels the course(s) and then only if the student has not previously attempted and failed the NRA required pre-qualification(s). There will be no refunds for any Student who fails the pre-qualification(s). If the Instructor cancels the course(s), and the Student has not failed the pre-qualifications, refund checks will be mailed within 30 business days. *Please remember BIT, on the first day, is mandatory to take any other Instructor Course(s).*

### **LOCATION:**

The Course location will be in Hollywood, FL., (with map & hotels), and will be announced with acceptance of your Enrollment Form.

### **OTHER COURSES AVAILABLE:**

Close Quarter Combat Pistol, Dim Light, Shoot/Don't Shoot, Combat Shotgun, Urban Rifle, Chemical Weapons, Taser, and Tactical Baton. (These courses are user-oriented courses, not instructor level courses, but also require some previous basic training).
